A6. The Spark Design Awards (USA) (new)

The Spark mission is to promote better living through better design. Spark Awards are bi-annual affairs, with different design categories judged by an international jury judging together in July and December. 85 designs have been judged and selected as outstanding submissions to the Spark Design Awards of 2023 (the 17th edition).

Professional entries included designs from prestigious brands like OXO, Philips, Dell, Pepsico, Daedong Tractors, CVS Health, Ahn&Partners Architecture, IBM, HP, fuseproject, Robrady Design and many others.

A11. Kyoto Global Design Awards (Japan) (new)

Established in 2019, the Kyoto Global Design Awards (KGDA) is a prestigious international competition dedicated to honoring exceptional designers globally. With seven main categories encompassing Visual, Real Estate, Environment, Trends (Fashion), Restaurants/Hotels/Bars, Industry, and Theory, the KGDA recognizes outstanding contributions across diverse design realms.

The exclusive "Best 100" category, curated by the KGDA Committee and media partners, specifically acknowledges designers and brands achieving remarkable feats in the field of design for the year. This special category focuses on those who have made significant strides in promoting global sustainable development, with the annual list highlighting outstanding contributions to the design industry.

Award Category	Award Level

B6. TDC Awards (by The Type Directors Club) (USA) (new)

TDC Awards organized by The Type Directors Club, the world’s leading typography organization had winners from 41 countries in its prestigious TDC70 Competition (in 2024).

Building upon its expanded disciplines and categories, the TDC's 70th annual competition (TDC70 in 2024) provided an unparalleled platform for typographic excellence to shine. Winners received prestigious certificates, had their work published in the esteemed "The World's Best Typography" compendium, and gained exposure through TDC's social media channels and eight global traveling exhibitions.

D7. The Good Design Award (USA) (new)

For more than seven decades since its inception, The Chicago Athenaeum continues the organisation of the program to create an awareness about contemporary design and to honor both products and industry leaders in design and manufacturing that have chartered new directions for innovation and pushed the envelope for competitive products in the world marketplace. Good Design® was founded in Chicago in 1950 by Edgar Kaufmann, Jr., Eero Saarinen, and Charles and Ray Eames. Mort Goldsholl also created the iconic Good Design logo in 1950.

Each year, The Chicago Athenaeum presents the GOOD DESIGN® Awards Program for the most innovative and cutting-edge industrial, product, and graphic designs produced around the world.

E7. World of WearableArt (New Zealand) (new)

The world's leading wearable art competition that showcases finalist garments from designers across the globe in a spectacular stage show in New Zealand.

Since it was established in 1987 WOW has embraced the worlds of art and design, running an international competition that culminates in a spectacular theatrical performance each year. The exhilarating WOW Show is a visual feast for audiences and an opportunity for designers to be recognised and celebrated on the world stage.

Experienced designers, first time entrants, and students, all bringing exceptional creative concepts to life. Anything that is wearable art can find a place on the stage, as long as it is original, innovative, and well executed.
